

Port State Control – Information Notice No.2 of 2010

The purpose of this notice is to advise shipowners, operators, managers and Masters of Isle of Man registered ships of the following;

Latin America – Vina Del Mar Agreement on Port State Control will conduct a Concentrated Inspection Campaign (CIC) from 01.04.2010 to 30.06.2010 on

General Safety & Human Elements

Please see attached document for your information on the checklist of areas where Port State control Officers will concentrate their inspections.

The campaign is intended to promote standards of safety and environmental protection with a view to ensuring:

- **Compliance with requirements related to structure, subdivision and stability**
- **Provision to the Master and Officers of damage information concerning cargo and stability**
- **Proper familiarisation of crew members with the steering system and the main and emergency electrical supply systems among others.**

**Mark Bregazzi
Senior Surveyor/PSC Co-ordinator
Isle of Man Ship Registry**
