

## **Port State Control – Information Notice No.3 of 2010**

The purpose of this notice is to advise shipowners, operators, managers and Masters of Isle of Man registered ships of the following;

### **Tokyo MOU – Asia / Pacific Region on Port State Control**

#### **Concentrated Inspection Campaign on Harmful Substances (MARPOL Annex III, SOLAS Chapter VII & IMDG Code)**

**1<sup>st</sup> September 2010 to 30<sup>th</sup> November 2010**

Please see attached document for your information on the checklist of areas where Port State control Officers will concentrate their inspections.

The campaign is intended to promote standards of safety and environmental protection with a view to ensuring whether the ship has appropriate:

- **Document of Compliance for carrying Harmful substances (Marine pollutants)**
- **Relevant documents and information corresponding to Harmful substances are carried on board**
- **Emergency procedures and crew awareness in event of an incident involving Harmful substances (Marine pollutants) are in place**
- **Ensure that Harmful substances (Marine pollutants) are marked, stowed and secured appropriately**

**Mark Bregazzi  
Senior Surveyor/PSC Co-ordinator  
Isle of Man Ship Registry**
