## **Notes**

Radio <sup>\*</sup>: Yachts less than 300GT shall ensure the GMDSS radio installation is subjected to survey annually by a Class-approved radio surveyor and a survey report shall be retained on board.

MLC <sup>#</sup>: Yachts less than 500GT are subject to the same survey requirements as those over 500GT but are issued on completion with a *Statement* of MLC Compliance in place of an *MLC certificate*.
